## Methamphetamine Prevention And Remediation in Housing Training

December 2<sup>nd</sup> – 3<sup>rd</sup>, 2014

Phoenix HUD Office Main Training Room  
1 North Central Avenue, 6<sup>th</sup> Floor, Phoenix, AZ 85004

### TRAINING TOPICS

Housing entities in many Native American communities are struggling to deal with problems associated with the growing methamphetamine (meth) use – from prevention to identification, clean up and remediation of housing, and policy development. This 2-day training will bring together housing authority staff from area tribes for an active discussion of local experiences and challenges, prevention and enforcement strategies, and partnerships; and training in remediation for housing. Please bring your own policies to share. Discussion and training topics include:

- Meth in Indian Country Overview
- Types of Remediation
- Remediation: Working in the Unit
- Remediation and rehabilitation of impacted housing
- On-going Prevention and Enforcement
- Problem and Resource Identification
- Identifying Stakeholders and Partners
- Policy Development
- Tribal Council, Tribal Courts and Public Safety Involvement

### AUDIENCE

Housing staff, Tribal Council and Courts, housing board members, public safety and law enforcement officials.
